

## Enrolment Criteria

Shelanti Centre of Excellence was established to accommodate the following learners:

- Learners with average - to above average intellectual ability.
- Learners who struggle to cope in larger classes and need an individual approach to learning.
- Learners who need more than what a traditional educational system can provide. eg. Thinking skills, leadership skills and critical thinking skills with hands-on activities.
- Learners who thrive in a smaller environment.
- Learners without behavioural problems.
- Learners whose parents are actively involved in their child's education.
- Learners who have been assessed by a psychologist.
- Learners who need emotional support.
- Learners whose home language is English.
- Gifted learners who need enrichment opportunities.
- Learners who need remediation in certain areas.
- Learners who need alternative method of assessment.
- Learners who underachieve despite good intellectual abilities.
- Learners who have been diagnosed with specific learning difficulties.
- High functioning Asperger's learners.
